Monterey HELP Program

www.montereycountywdb.org

Monterey County Workforce Development Board has several initiatives available to support both employers and job seekers as we all work together to overcome obstacles related to the recent COVID-19 pandemic that has affected us all.

The Monterey HELP program provides workers impacted by COVID-19 with over 20 weeks of paid work experience and the opportunity to give back to their community. This program uses disaster recovery funding to pay program participants to assist the Food Banks of Monterey County and Santa Cruz County, and the Coalition of Homeless Services Providers in Monterey County.

Program participants will help with food distribution and housing assistance to those in need.

The **Mission** of the **Monterey HELP** program is to help educate about the impact COVID-19 has had on the under-served community in Monterey County. The **Goal** of **Monterey HELP** is to assist impacted workers effected by COVID-19 and give back to the community by helping people who are in need. This is a paid 32 hour per week, 20-week work experience program. The **Purpose** of the **Monterey HELP** program is to offer an opportunity to understand the impact of humanitarian work by working at the Monterey Food Bank, Monterey County Homeless Coalition and Santa Cruz Food Bank.

For more information applicant can call 866-666-9332 or call 831-915-8913 or download the application at: <https://www.montereycountywdb.org/monterey-county-works/>
